BUFFET / PLATTER CATERING

First class catering for all occasions...

Working in partnership with a number of venues across the city (including our very own Cafe Bar, of course), we can assist you in organising an event that's sure to impress. For groups of 40 or less, we're able to offer exclusive use of either Downtown Lahore or the second-floor Boudoir (room availability and size of party permitting) – if this doesn't satisfy your requirements for any reason, we have excellent relationships with many venues across the city including the Connaught Rooms, Jury's Inn, Rio Grande, The Midland Hotel and The Hilton to name but a few.

If you've already selected a venue, we're similarly able to deliver a top-class service. Providing everything from sublime snacks to perfect platters, our outside catering service is designed to be big on convenience with zero compromise on quality. You'll be busy discussing strategy or simply enjoying the company of friends and loved ones – we'll be discreet, polite and happy to help wherever we can. The food, of course, will be simply delicious.
